Remote Monitoring

The Corps Monitoring Centre provides CCTV Monitoring Services to a wide range of customers across many market sectors on an independent basis or as part of an integrated service incorporating manpower and technology. We operate from a purpose built, technically advanced facility in Scotland and have the expertise necessary to deliver integrated security solutions.

Remote CCTV Monitoring

The Corps Monitoring Centre was recently constructed and is one of the most modern and advanced CCTV monitoring facilities in the industry. We provide a comprehensive range of services available remotely 24-hours-a-day, 365-days-a-year.

Remote CCTV Monitoring: Alarm Response, Audio Warnings, Incident Reports and Video Recordings.

Access Control: Visitor Access, Gatehouse Management, Barrier Control and Facilities Checks.

We also offer: Live CCTV Monitoring, Lone Worker Monitoring, Remote Guard Tours and Mobile Response.

A good monitoring service relies not only on good people, but also the best technology. The Corps Monitoring Centre was built to incorporate the latest and highest specification equipment which is upgraded all of the time.

As well as high quality technology we also work with installers with the knowledge and expertise to specify and install CCTV equipment for our clients.
